(Jointly Administered)

The debtors and debtors in possession in the above-captioned cases (collectively, the “Debtors”) have filed their respective Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Court”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure.

Inc. and Freedom VCM, Inc. In reviewing and signing the Schedules and Statements, Mr. Seeton and Mr. Laurence have necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' legal and financial advisors. Given the scale of the Debtors' business and the complexity of the Debtors' records, Mr. Seeton and Mr. Laurence have not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made a reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event shall the Debtors or their agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Cases.** On November 3, 2024, (the "Petition Date"), each of the Debtors commenced a voluntary case under chapter 11 of the Bankruptcy Code (collectively, the "Chapter 11 Cases"). The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Chapter 11 Cases are being jointly administered. See Docket No. 88. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the close of business on November 3, 2024.
2. **Global Notes Control.** These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (the "Global Notes") pertain to and comprise an integral part of each of the Debtors' Schedules and Statements and should be referenced in connection with any review thereof.

3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements is intended to be, nor should it be construed as, a waiver of any of the Debtors' rights or an admission of any kind with respect to the Chapter 11 Cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
- (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.
 - (b) **Recharacterization.** Notwithstanding that the Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, or designated certain items. The Debtors thus reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as is necessary and appropriate.
 - (c) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract.
 - (d) **Claims Description.** Any failure to designate a claim on a given Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve all rights to dispute, or assert offsets or defenses to, any claim reflected on their respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any claim. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results may differ from such estimates.
- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any causes of action, and nothing in these Global Notes or the Schedules and Statements should be construed as a waiver of any such causes of action. The listing of any cause of action for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved.
- (g) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders” the Debtors have included information with respect to the individuals who the Debtors believe are included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for the purposes of determining control of the Debtors; the extent to which any individual exercised management responsibilities, functions, or corporate decision-making authority over the Debtors; or whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or any other purpose.

- (i) **Personally Identifiable Information.** In accordance with the relief granted in *Order (I) Authorizing Debtors To Redact Certain Personally Identifiable Information, and (II) Granting Related Relief* (Docket No. 114), certain personally identifiable information, including home address of individuals, has been redacted in the Schedules and Statements.

- 4. **Receivables Transactions.** As described more fully in the *Declaration of David Orlofsky in Support of Debtors' Chapter 11 Petitions and First Day Pleadings* [Docket No. 15, ¶¶ 35-38] (the "First Day Declaration"), prior to the Petition Date, Debtor Freedom Receivables II, LLC ("Freedom II") acquired certain accounts receivables from non-Debtor W.S. Badcock Corporation ("Badcock") in September 2022 (the "Tranche A-D Receivables") and August 2023 (the "Tranche E Receivables" and together with the Tranche A-D Receivables, the "Receivables").

Between November 2023 and early October 2024, pursuant to contractual obligations, Freedom II repaid \$15.3 million to an affiliate of B. Riley Principal Investments, LLC ("BRPI") and the Klotz Family Trust (a minority owner of Freedom II prior to the Take-Private Transaction, as defined below) ("KFT"). These payments are reflected on the Statements of Financial Affairs, Questions 3 and 4, of Freedom II and Freedom VCM Receivables, Inc. Presently, Freedom II currently does not hold any Tranche A-D Receivables and is not obligated to any party on account of such Tranche A-D Receivables. To the best of the Debtors' knowledge, BRPI and KFT do not hold claims against the Debtors on account of the Tranche A-D Receivables.

When the Debtors sold Badcock to Conn's, Inc. ("Conn's") in December 2023, Freedom II became contractually obligated to deliver to Conn's certain of the Tranche E Receivables. Freedom II currently holds certain Tranche E Receivables that it is contractually obligated to deliver to Conn's. Thus, to the best of the Debtors' knowledge and based on the Debtors' books and records, Conn's may have an unsecured contractual claim against the Debtors that is reflected on Schedule E/F for Freedom II. To the best of the Debtors' knowledge, BRPI does not hold claims against the Debtors on account of the Tranche E Receivables. The Debtors reserve all rights as to this claim and any others that Conn's and BRPI may assert against the Debtors' estates.

5. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors' reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis and do not include intercompany eliminations.
- (b) **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and

Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

- (c) **Date of Valuations.** Except as otherwise noted in the Schedules and Statements, all liabilities are valued as of the Petition Date. Where values as of the Petition Date are not available, or where making calculations as of the Petition Date would create undue expense to the estates, the Debtors used values as of the prior month-end close, October 26, 2024. The Schedules and Statements reflect the Debtors' best effort to allocate the assets, liabilities, receipts, and expenses to the appropriate Debtor entity "as of" such dates. All values are stated in United States currency. The Debtors made reasonable efforts to allocate liabilities between the pre- and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and postpetition periods and amend the Schedules and Statements accordingly.
- (d) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' Schedules and Statements reflect net book values as of October 26, 2024. Market values may vary materially, from net book values. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The Debtors have not performed an analysis of impairment of fixed assets, goodwill or other intangibles. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset.
- (e) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto.
- (f) **Allocation of Liabilities.** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.

- (g) **Undetermined Amounts.** The description of an amount as “undetermined” or “unknown” is not intended to reflect upon the materiality of such amount.
- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtors are scheduled as “unknown,” “undetermined,” or “unliquidated.”
- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total. Further, given that certain liabilities are estimated and scheduled in the Statements and Schedules as “undetermined,” “unknown,” or “unliquidated,” total amounts listed may not be equal to the aggregate amount of the Debtors’ total liabilities as noted on any financial statements issued prior to the Petition Date.
- (j) **Paid Claims.** The Debtors have authority to pay certain outstanding prepetition payables pursuant to certain orders of the Court; as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on account of prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements. To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to an order of the Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing notices of satisfaction, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest.
- (k) **Intercompany Claims.** Receivables and payables among the Debtors, are reported as of October 26, 2024 on Schedule A/B and Schedule E/F, respectively, per the Debtors’ unaudited books and records. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including with respect to the characterization of intercompany claims, loans, and notes. Due to historical accounting practices, the Debtors may have been unable to ascertain with precision certain intercompany balances among specific Debtors. As a result, the intercompany balances listed on Schedules A/B or E/F may vary from the Debtors’ audited financial statements. These balances have been calculated consistent with historical practice.
- (l) **Excluded Assets and Liabilities.** The Debtors have excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; certain deferred revenue accounts that are recorded solely for accounting purposes; and certain accrued liabilities including, but not limited to,

accrued salaries and employee benefits. Other immaterial assets and liabilities may also have been excluded.

- (m) **Liens.** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (n) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (o) **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, promotions, refunds, and negotiations and/or disputes between Debtors and their customers and/or suppliers. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for and, as such, are or may be excluded from the Debtors' Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.
- (p) **Allocation of Assets.** The Debtors have made best efforts to report assets for each operating company at the appropriate Debtor entity. Certain assets of American Freight Outlet, LLC may be reflected in the Schedules for American Freight, LLC as the Debtors within the American Freight operating company contemporaneously maintain one set of books across the American Freight legal entities.

6. **Specific Schedules Disclosures.**

- (a) **Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors' cash management system and bank accounts are provided in the *Debtors' Motion for Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Maintain Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, and (C) Continue to Perform Intercompany Transactions; (II) Waiving Certain Operating Guidelines; (III) Suspending Time to Comply with Section 345(b) of the Bankruptcy Code; and (IV) Granting Related Relief* [Docket No. 9] (the "Cash Management Motion") and the final order approving the Cash Management Motion [Docket No. 414]. The balances of the financial accounts listed on Schedule A/B, Part 1, reflect accounts and balances as of November 3, 2024.

The Debtors have made reasonable efforts to identify all deposits. Additionally, the Debtors have provided adequate assurance of payment for future utility services to certain counterparties, pursuant to the *Final Order (I) Prohibiting Utility Companies From Altering, Refusing, or Discontinuing Utility Services;*

(II) Deeming Utility Companies Adequately Assured of Future Payment; (III) Establishing Procedures for Resolving Objections by Utility Companies and Determining Additional Adequate Assurance of Payment; and (IV) Granting Related Relief [Docket No. 384]; however, such deposits are not listed on Schedule A/B, Part 2, which has been prepared as of October 26, 2024 (except for American Freight, LLC, which has been prepared as of the Petition Date).

- (b) **Schedule A/B Part 3 – Accounts Receivable.** The Debtors’ accounts receivable information includes receivables from the Debtors’ members, vendors, franchisees or third parties, and include any amounts that, as of October 26, 2024, may be owed to such parties in the form of offsets or other adjustments pursuant to the Debtors’ day-to-day operations or may, in the Debtors’ opinion, be difficult to collect from such parties due to the passage of time or other circumstances. The gross accounts receivable balances in Schedule A/B, Part 3 exclude intercompany receivables.
- (c) **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed on Schedule A/B, Part 4, as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.
- (d) **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** Dollar amounts are presented net of accumulated depreciation and other adjustments as of October 26, 2024. The Debtors have made reasonable efforts to identify all assets; however, property of *de minimis* value may have been inadvertently omitted in the response to this question.
- (e) **Schedule A/B, Part 8 – Automobiles, vans, trucks, motorcycles, trailers; and Machinery, fixtures, equipment, and supplies used in business.** Dollar amounts are presented net of accumulated depreciation and other adjustments as of October 26, 2024. The Debtors have made reasonable efforts to identify all assets; however, property of *de minimis* value may have been inadvertently omitted in the response to this question.
- (f) **Schedule A/B, Part 9 – Real Property.** Actual realizable values of the identified leasehold improvements may vary significantly relative to net book values as of October 26, 2024 and exclude potential impairments realized subsequent to October 26, 2024 with respect to leasehold improvements, etc.
- (g) **Schedule A/B, Part 10 – Intangibles and Intellectual Property.** The Debtors have identified intangible assets as of October 26, 2024. The Debtors have not listed the value of certain of such assets because the values reflected in the Debtors’ books and records may not accurately reflect such assets’ value in the marketplace.

- (h) **Schedule A/B, Part 11 – All Other Assets.** Dollar amounts are presented net of impairments and other adjustments as of October 26, 2024. The Debtors have listed their gross intercompany receivable balances in Schedule A/B, Part 11.

Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, Including Counterclaims of the Debtor and Rights to Setoff Claims. In the ordinary course of their business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, crossclaims, setoffs, refunds with their customers and vendors. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as a plaintiff or counterclaims and/or crossclaims as a defendant. Because certain of these claims are unknown to the Debtors and not quantifiable as of the Petition Date, they may not be listed on Schedule A/B, Part 11.

Tax refunds and unused net operating losses (NOLs). The net operating losses listed in Schedule A/B, Part 11 are estimates and should not be relied upon for any purpose.

Interests in Insurance Policies or Annuities. A list of the Debtors' insurance policies and related information is available in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Continue Their Insurance Policies, Including Their Insurance Premium Finance Program and To Pay All Obligations in Respect Thereof, (II) Authorizing the Debtors' Banks and Other Financial Institutions To Honor and Process Checks and Transfers Related Thereto, and (III) Granting Related Relief* [Docket No. 6].

- (i) **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, unless otherwise agreed or ordered by the Court, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. In certain instances, a Debtor may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities.

Although there are multiple parties that hold a portion of the Debtors' senior secured funded debt, only the administrative agent has been listed for purposes of Schedule D.

(j) **Schedule E/F – Creditors Who Have Unsecured Claims.**

The liabilities identified on Schedule E/F, Part 2, are derived from the Debtors' books and records and are listed as of November 3, 2024. The Debtors have made a reasonable attempt to verify their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. In certain instances, unsecured creditors may have accrued multiple independent liabilities, which have been aggregated in the listed liabilities.

Following the Petition Date, the Court entered certain orders (the "First Day Orders") authorizing, but not directing, the Debtors to, among other things, pay certain (a) insurance obligations; (b) employee wages, salaries, additional compensation, contractor obligations, and employee benefit programs; (c) taxes and fees; (d) utilities; (e) service charges and other fees, costs, and expenses charged by the Debtors' cash management banks; and (f) certain critical vendor payments. Where the Schedules and Statements list creditors and set forth the Debtors' scheduled amounts attributable to such claims, such scheduled amounts reflect balances owed as of the Petition Date. To the extent the Debtors later pay any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities, to the extent that any such action is necessary. For the avoidance of doubt, the Debtors are not required and may not amend the Schedules and Statements to reflect the postpetition payment of prepetition obligations under the First Day Orders to avoid duplicate payment. Nothing contained herein should be deemed to alter the rights of any party-in-interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

The Court entered a final First Day Order authorizing, but not directing, the Debtors to pay certain prepetition employee wages, salaries, benefits and other related obligations [Docket No. 348]. With the exception of any prepetition severance or deferred compensation, the Debtors currently expect that most prepetition employee claims for wages, salaries, benefits and other related obligations either have been paid or will be paid in the ordinary course of business and, therefore, Schedule E/F does not include such claims. Employees with claims in excess of the statutory cap are listed on Schedule E/F, Part 2, and the balance exceeding \$15,150 is listed. Notwithstanding the foregoing, the Debtors reserve their rights to (i) evaluate whether to modify or terminate any employee plan or program and (ii) modify or terminate, with respect to discretionary obligations, or seek to modify or terminate any such plans or programs. In the event that any employee plans or programs are modified or terminated, or sought to be modified or terminated, affected employees would receive by mail notice thereof, thereby allowing any such affected party to assert claims against the Debtors arising therefrom.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. The amounts for these potential claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements. The Debtors have not listed potential claims as a result of demand letters received from potential litigants given the purely speculative nature of such potential claims.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. The Debtors have not listed potential rejection damage claims of counterparties to executory contracts and unexpired leases that may or may not be rejected, and to the extent such damage claims exist, the Debtors reserve all rights to contest such claims as asserted.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors’ estates, the Debtors have not listed a specific date or dates for such claim.

Certain of the Debtors’ liabilities do not lend themselves to identification of individual claims/claimants. Specifically, Schedule E/F Part 2 does not include estimated liabilities for the outstanding store gift cards because the Debtors do not track individual gift and merchandise card holders.

As of the date hereof, the Debtors have not received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligation, to amend Schedules D and E/F if and as they receive additional prepetition invoices.

The Debtors have not included in the Schedules and Statements the future obligations of any operating leases. Additionally, the Debtors have not included in the Schedules any right-of-use operating lease assets or liabilities related to FASB Accounting Standards Update 2016-2 because the Debtors do not possess any ownership interest in the corresponding properties and believe that the addition of these items would be cumbersome and unnecessary for understanding the value of the Debtors’ estates. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules.

The listing of a claim on Schedule E/F does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status either as a deposit or otherwise and the Debtors expressly reserve their rights to contest the characterization of any such claim.

- (k) **Schedule G – Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred.

Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease, that such contract or agreement was in effect on the Petition Date, or that such contract or agreement is valid or enforceable. The Debtors hereby reserve all rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnification obligations, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreements, which documents may not be set forth on Schedule G. Moreover, to the extent any agreements are governed by a master services agreement, the Debtors have endeavored to list the master services agreement on Schedule G. The Debtors have made reasonable efforts to identify the Debtor entity for each contract, and, in instances where this could not be determined, the contract is listed on the Schedules of Franchise Group, Inc.

In the ordinary course of business, the Debtors have entered into numerous agreements, both written and oral, regarding the provision of certain services on a month-to-month or at-will basis, as well as purchase orders, statements of work, It would it be unduly burdensome and cost-prohibitive to list such agreements in Schedule G and, therefore, such agreements are not listed individually on Schedule G.

The Debtors have not listed any contracts or unexpired leases for which the Debtors have obtained authority to reject pursuant to the Debtors' rejection orders [Docket Nos. 350, 352 & 446] or for which the Debtors have requested authority to reject pursuant to the Debtors' pending rejection motions [Docket Nos. 433 & 451].

The description of any contract on Schedule G does not constitute an admission by the Debtors as to the characterization of such contract. The Debtors reserve all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or

unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

Given the number of rent-to-own contracts between Debtor Buddy's Newco, LLC and its customers as well as privacy concerns, those contracts have not been listed here; however, absence of these contracts from Schedule G is not intended to impair the rights of either the Debtor or the Debtor's customers under those agreements.

- (1) **Schedule H – Co-Debtors.** Franchise Group, Inc. serves as a guarantor in connection with certain of the Debtors' unexpired leases. Given the Debtors' substantial store footprint, it would be unduly burdensome to list this party on Schedule H of each Debtor to a real property lease. Therefore, the Debtors have not identified Franchise Group, Inc. as a co-debtor on Schedule H with respect to such obligations. The Debtors reserve all rights to amend Schedule H to the extent that additional information associated with the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements is identified.

7. **Specific Statements Disclosures.**

- (a) **Statements, Part 1, Question 1 – Gross Revenue from Business.** As is customary in the retail industry, sales are reflected net of returns and allowances, coupons, discounts, shipping and handling, and sales tax. Sales are not reflected net of intercompany receivables and payables, which may result in gross revenue being overstated.
- (b) **Statements, Part 1, Question 2 – Income from Other than Operations.** Values listed in this section include revenue regardless of whether that revenue is taxable.
- (c) **Statements, Part 2, Question 3 – Payments to Certain Creditors.** Disbursements made on account of multiple invoices may be reflected as a single payment. All transfers in Part 2, Question 3 of the Schedules are listed as of the check date.
- (d) **Statements, Part 2, Question 4 – Payments to Insiders.** In limited circumstances, relatives of insiders may have been employed as employees at certain of the Debtors' locations. Wages and benefits paid to such employees in the ordinary course of business are not listed in Part 2, Question 4.
- (e) **Statements, Part 4, Question 9 – Gifts and Charitable Contributions.** In July and October of 2024, following Hurricane Beryl, inventory donations were shipped to Pet Supplies "Plus" stores in Texas, which then distributed the inventory to various charitable organizations in de minimis amounts.
- (f) **Statements, Part 5, Question 10 – Certain Losses.** The Debtors incur certain immaterial losses in the ordinary course of business. Such amounts are not listed in the Statements.

- (g) **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** On December 19, 2024, the Debtors filed the *Debtors’ Application for Order Authorizing the Retention and Employment of Willkie Farr & Gallagher LLP as Co-Counsel for the Debtors, Nunc Pro Tunc to the Petition Date* [Docket No. 474] (“Willkie Retention Application”). As disclosed in the Willkie Retention Application, Willkie Farr & Gallagher LLP (“Willkie”) represented the Debtors in numerous corporate, regulatory, litigation, restructuring, and other matters since 2019. In response to Question 11, the Debtors have listed all payments made to Willkie by the Debtors in the year prior to the Petition Date in connection with such representations, including representations related to restructuring, seeking bankruptcy relief, or filing a bankruptcy case. not those relating solely to the bankruptcy.

In addition, in the year prior to the Petition Date, Willkie received certain payments from unaffiliated non-debtor parties in connection with its representation of the Debtors in certain mergers and acquisitions transactions. In response to Question 11, the Debtors have not listed such amounts.

Finally, as disclosed in the Willkie Retention Application, Willkie assisted Mr. Kahn in connection with his separation from Franchise Group, Inc. and, in the course of that representation, held certain funds in a professional fee escrow for the benefit of Mr. Kahn until the funds were ultimately released to Mr. Kahn in January 2024. Such escrowed funds are not listed in response to Question 11.

- (h) **Statements, Part 6, Question 13 – Transfers Made Within Two Years of the Petition Date.** As described in the First Day Declaration, the Debtors became a private company in August 2023 (the “Take-Private Transaction”) pursuant to that certain *Agreement and Plan of Merger*, dated as of May 10, 2023, by and among Franchise Group, Inc., Freedom VCM, Inc., and Freedom VCM Subco, Inc. Certain of Franchise Group, Inc.’s common shareholders received \$30.00 in cash for each share of Franchise Group, Inc.’s common shares that they held, and certain of Franchise Group, Inc.’s preferred shareholders received \$25.00 in cash for each share of Franchise Group, Inc.’s preferred shares, plus any accrued and unpaid dividends, if any. The Debtors have not listed in Part 6, Question 13 all transfers made in connection with the Take-Private Transaction, including the transfers to common and preferred shareholders.
- (i) **Statements, Part 7, Question 14 – Previous Addresses.** Given the number of stores the Debtors operate, the Debtors have not listed formerly owned and leased stores and distribution centers that closed prior to the Petition Date.
- (j) **Statements, Part 9, Question 16 – Personally Identifiable Information.** The Debtors collect a limited amount of information from customers, including personally identifiable information, via their website portals, over the telephone, or in person in order to provide services to customers and inform them of new products and services. Examples of the types of information collected by the Debtors include, among other things, mailing addresses, email addresses, phone number,

and names. The Debtors retain such information as long as is necessary for the Debtors to comply with business, tax, and legal requirements. The Debtors maintain privacy policies and have information security protocols to safeguard personally identifiable information.

- (k) **Statements, Part 9, Question 17 – Employee Benefits.** The Debtors maintain a deferred compensation program for certain Pet Supplies “Plus” employees. Such program is not listed in the Statements.

Prior to the Petition Date, the Debtors acquired businesses as part of their business model. To the extent any of these acquired businesses maintained 401(k) or other pension or profit-sharing plans, the Debtors merged such plans into their existing plans. Such plans have been listed in the Statements, but may not be current plans under which the Debtors operate.

- (l) **Statements, Part 13, Question 26 – Books, Records, and Financial Statements.** The Debtors provide certain parties, such as banks, factors, auditors, potential investors, vendors, franchise owners, rating agencies, landlords and financial advisors, with financial statements. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in Part 13, Question 26 of the Statements.
- (m) **Statements, Part 13, Question 27 – Inventories.** The Debtors inventory product at their various store locations and distribution centers on a rolling basis. In an effort to reduce the volume of disclosures that would be otherwise applicable, the Debtors have omitted such frequent cycle counts conducted by the stores and distribution centers. Also, twice per year, the Debtors conduct a physical inventory count at each store. Due to the volume of information for the number of stores the Debtors operate, these physical counts have not been included in Part 13, Question 27 of the Statements.
- (n) **Statements, Part 13, Question 28 – Officers and Directors.** The response in Part 13, Question 28 of the Statements reflects director and officer status at the Debtors as of the Petition Date and does not reflect any changes to the Debtors’ directors and officers following that date.

David Orlofsky is included in the response to Statement Part 13, Question 28 in his capacity as Chief Restructuring Officer to the Debtors. Payments made to AlixPartners, LLP in the one year prior to filing, including any amounts related to his appointment as Chief Restructuring Officer, are including in the response to Statement Part 6, Question 11.

- (o) **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Please refer to Question 4 of the Statements regarding all payments to insiders.
